

EmpowerAI

proj. num: 2023-1-IE01-KA220-VET-000153198

We are targeting:

- Female entrepreneurs
- VET teachers
- VET students

We aim to ensure that female entrepreneurs have the knowledge to leverage Artificial Intelligence (AI) tools for their businesses. We also seek to familiarize VET teachers with the benefits that AI offers, enabling them to integrate it into their curriculums.

We are working to:

- Increase the digital readiness and implementation of AI tools among target audiences
- Develop a digital training course
- Foster digital competence, creativity, innovation & lifelong learning
- Promote gender equality in the digital marketplace

Our results

- Digital library of AI tools
- e-learning course
